Appl. No. 10/827,417

November 4, 2004

REMARKS/ARGUMENTS

By letter dated June 29, 2004, captioned Notice of Omitted Items in a Nonprovisional Application, application applicant was advised of the omission of drawing Figure 2 in the filing of the above-identified divisional application. By letter dated July 14, 2004, applicant responded pointing out that the present application incorporated by reference the two prior applications and hence the omitted drawing Figure 2 noted in the Notice was present in both prior applications. That letter of July 14, 2004 was treated as a Petition which concluded that applicant must submit an Amendment containing the drawings. Accordingly attached hereto is a new set of drawing Figures 1 and 2 to replace the drawing figures originally filed with the divisional application.

Respectfully submitted,

NIXON & VANDERHYE P.C.
